Fullerton College Library

ASK A LIBRARIAN!

Chronicle Career Library - Over 2,000 career information briefs.
Country Watch - Basic country information (e.g., historic, economic, political, cultural).
CQ Researcher - Current and controversial topics and issues in the news.
EBSCOhost - Scholarly journals, magazines, trade publications, newspapers, and eBooks. NEW! EBSCOhost now includes PsycARTICLES from the American Psychological Association (APA) and two authoritative science and technology collections: Science Full Text Select and Science Reference Center, both supported by a U.S. Dept. of Education ENGAGE in STEM grant.
Gale Opposing Viewpoints in Context - Pro/con viewpoint essays, magazine & newspaper articles, and more.
Gale Virtual Reference Library - Subject specific encyclopedias, handbooks, and other reference books.
JSTOR - Academic journal articles dating from the 1800s through the present.
LexisNexis Academic - Legal, business, and news resources from local to global, Inc. OC Register and LA Times.
MathSciNet - Reviews, abstracts, and bibliographic information for mathematical sciences literature.
Rand California - A collection of more than 100 statistical databases covering California.
Science Online/AAAS - Peer reviewed Journal Science.
Web-Enabled Choice - Choice online is the electronic version of a hardcopy subscription magazine (Choice) to which academic librarians refer when selecting resources that support student research. Choice reviews assist the librarians in optimizing their collection development selection process.

Online Catalog - The library online catalog of books, eBooks, DVDs, CDs and other media.

Questions? Contact the Fullerton College Library at librarian@fullcoll.edu

Access to library databases is limited to currently registered students. If you have further questions, please contact a librarian.

Weekly Hornet

Serving Fullerton College Since 1922

- Is California's drought finally over?
Not quite yet.
- Review: "Before I Fall" - What if you had one day to change everything?
Imagine what it would be like to relive the day you die over and over again.
- Students and faculty assemble for the 3rd annual African-American Forum
The 3rd annual African-American Forum featured faculty members sharing their personal stories to inspire students at Fullerton College.
- History begins with Mens Volleyball at Fullerton College
